RBMGC 2009 SKINS LOCAL RULES

The Rules of Golf (including Rule 6-1 which provides that each player is responsible for knowing the conditions under which the “Skins” competition is to be played) will govern the “Skins” competition to the extent that they are not at variance with the following local rules. No Rule of Golf or Riverbend Men’s Club 2008 Hard Card Local Rule will supersede a “Skins” Local Rule.

- The designated RBMGC host in cooperation with the golf course management will determine when and if “Preferred Lies” are in effect, the tees played and local conditions are in effect at the time the competition begins.
- Play in the RBMGC Saturday Skins is open to all active members of record as of the “reading of cards”. Professionals are welcome to play in a group so long as their participation does not displace a member wishing to play. Professionals are not permitted to compete in the skins competition.
- All competitors are required to check in prior to play with the pro shop and RBMGC designated host.
- Should a player elect not to complete his play of a hole the player may (“X” out) pick up. The player is disqualified for that hole of the competition. No further penalty is incurred. A player not completing the stipulated round in all other regards is not eligible for a skin.
- If the score for a hole is to count for a skin in the competition the ball must be holed with a stroke or successive strokes in accordance with the Rules, i.e., no concessions.
- Handicaps: a player is responsible to verify their handicap is correct before returning the scorecards. %50 of your course handicap will be applied. A player who falsifies his handicap and it affects the number of strokes given will be banned from further play in the RBMGC Saturday Skins.
- A scorecard returned must have a representative of the group, or a designated representative, in attendance at the “reading of cards”. If no representative is present the scores will not be counted.
- Ties: In the event there are ties for all skins the skins pot will be divided equally amongst all net 2’s.
- Players are responsible to see that skins competition scores are posted.
- Disputes and questions on the Rules must be referred to the RBMGC designated host whose decisions are final.
